WARNING: Absence of one or more of the following Security Features may indicate alteration.
Warning Band - Notifies document handlers that security features are present.
Watermark - Distinctive pattern in the paper. Hold up to a light source to view.
Fibres - Visible only under black light.
Microline Printing - Tiny type in border that can't be read if scanned or copied.
Attempts to chemically alter this document will activate a chemical reaction that appears as a stain in the paper. Paper has TonerFuse™ that bonds dry toner image to the paper fibres making alteration by scraping or tape very difficult.

Endorsement - Signature or Stamp
